WHAT DOES THE BIBLE SAY ABOUT? A Service of the Elba Church of Christ

Why Was So Much Deleted From The Old Testament And Why Did Not Some One Put The Rest Of the New Testament In With The

irst, to answer the question about the Old Testament, Jesus said Think not that I am come to destroy the law, or the prophets: I am not

ome to destroy, but to fulfill. For verily I say unto you, Till heaven nd earth pass, one jot or one title shall in no wise pass from the law, ill all be fulfilled (Matthew 5: 17-18)." He was referring to the law of Moses, which the scribes were meticulous to copy word for word ave been able to fulfill the Old Law if so much as one jot or title was missing from it. We can rest assured that not one word of the Old Testament was deleted, "For the prophecy came not in old time by the will of man; but holy men of God spake as they were moved by the Joly Ghost (2 Peter 1:21)." The Old Testament was not the thoughts and the words of men, but from the mind of God. God will not give His word and then allow men to destroy it or to delete any portion of it. We must have every word of the Old Testament in its completed form for as Paul stated: "For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have

hope (Romans 15:4)." Second, we are now living under the New Testament (Hebrews 9: 16-17). Just as not one word is missing from the Old Testament, neither is one word missing from the New Testament (2 Timothy 3:16-17). Yes, the Bible you: Janie M. Kelley, Annie Anniversary on Sunday, is complete for as Peter wrote: "According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue (2 Peter 1:3). Outscore Bulldogs 30-26

Tigers on a tear

By Ricky Mularz, Sports Editor

The Elba Tigers spotted Washington County are early 13-0 lead and then came storming back Friday night to outscore the highlyanked Bulldogs 30-26, in an important Class 3A, Region 1

The win upped the Tigers' record to 5-3, 3-1 in Region 1 action, while the Bulldogs slipped to 5-3 with the loss, 2-2 in Region 1 play. Washington County received the opening kickoff and marched 56 yards in nine plays to grab an early lead. A 26-yard scamper by Michael Johnson was a big play in the Bulldogs' scoring drive, while the touchdown came on a 3-yard run by Johnson. Chris Gatson added the extra-point, and with 7:16 left in the first quarter Washington County was already on top 7-0.

Elba snapped the ball only once on its ensuing possession as the Figers fumbled the ball on their first play from scrimmage to put the Bulldogs right back in business at the Elba 33-yardline. One play later Chris Gatson hooked up with Lance Hamilton on a 44-yard touchdown pass, and although the extra-point try sailed under the crossbar, Washington County owned a 13-0 lead with 6:00 still remaining in the first quarter,

The Tigers were down, but not about to quit, and took the ensuing kickoff and marched 65 yards in six plays to get on the scoreboard. A 27-yard sprint by Quinton Moultry got the drive off to a fast start, while an apparent 34-yard touchdown scamper by Dougie Pierson brought the Elba fans to their feet, only to see the long scoring run nullified by a penalty. The penalty backed Elba up to the Bulldogs' 33-yardline. However, the flag only delayed the Tiger touchdown, as Dougie Pierson broke loose on a 15-yard gain to get Elba to the Washington County 9, and on the next play Pierson again got the call and this time rambled in for the touchdown on a 9-yard dash. Quinton Moultry tacked on the two-point conversion after a Elba Tiger tailback Quinton Moultry (6) pulls away Elba's Kirby Gray (3) eyes the goalline after pulling in pair of Bulldog penalties on the extra-point try, and with 3:39 from a would be Bulldog tackler in last week's 30-26 a 17-yard touchdown pass in fourth quarter action in last remaining in the first quarter Elba had cut the Washington County week's big 30-26 region win over Washington County. lead to 13-8.

The Tigers put the ball in play at their own 26-yardline with 2:38 left in the half and overcame an early holding penalty to drive 74 yards in five running plays to grab their first lead of the night! A 23-yard run by Quinton Moultry on the first play of the drive got the Tigers rolling, but two plays later Elba was faced with a third own and 11 after a holding penalty. The Tigers kept the drive alive on a 21-yard scramble by Brandon Petty, and then grabbed the lead when Todd Horstead took a pitch on a toss-sweep, spotted a seam in the Washington County defense, cut back inside and raced 29 yards for a touchdown. Marcus Henderson added the extra-point, and with 1:44 remaining in the half Elba had grabbed its first lead at 15-13. The Tigers received the second half kickoff and immedia brought the large Elba crowd to its feet as Todd Horstead fielded the cick at the 14-yardline and raced straight up the middle 86 yards for Tiger touchdown. Marcus Henderson added the extra-point, and with 11:43 left in the third quarter Elba's lead was up to 22-13.

Turnovers ended three straight possessions late in the quarter, with the third turnover being a pass interception by Todd Horstead that was returned 15 yards to the Washington County 48-yardline. The Tigers needed to run time off the clock and put points on the coreboard, and did just that, as they covered the 48 yards in 10 plays to stretch their lead to 30-20!

A 5-yard gain by Brandon Petty on third down and one kept the drive alive early, while a 4-yard run by Quinton Moultry on third and four moved the chains and gave the Tigers a first down at the Bulldog 24. Three plays later Elba was faced with a fourth down and 3 at the Washington County 17, and the Tigers once again came hrough as Brandon Petty faked a hand off up the middle and then ofted a pass to tight-end Kirby Gray, who pulled in the short pass and trotted into the endzone for a Tiger touchdown. Washington County began its ensuing possession at its own 41yardline and five plays later was right back in the endzone. A 34yard pass from Chris Gatson to Tyran Johnson started the quick scoring march, while the touchdown came on an 8-yard pass from Gatson to Lance Hamilton.
